COMFORTABLE SUSPENSION

TVS Rockz - a great ride that combines the best design and comfort in its class. With Canister Gas Absorber, the first in its class to use Nitrogen with 3-step tuning for comfortable riding.

THE FIRST WITH MP3 PLAYER AND FM RADIO

First 125 cc motorcycle in the world with an Integrated Music System - complete with MP3 Player and FM Radio that plays out through a dust proof speaker or earphones. Ride out with friends, and with music.

I CHARGE

An integrated charger ensures that your mobile phone gets charged on the ride - stay connected, always.

RESPONSIVE POWER

With a 125 cc Over-square Duralife engine that puts 9.8 BHP on road - more power and less friction.

I RIDE

Double clutch system to provide an exciting ride.
